

Bluepoint Medical Associates recognizes that the pandemic is a difficult time for all. It is critical that we continue to practice social distancing, washing of hands regularly, along with all other sanitary precautions. For our patient base, we have a few additional precautions as well as tips we want to share. However, please refer to CDC and NIH websites for more detailed information about the virus COVID 19.

Our labs will remain open for in-lab studies. We do offer the option of Home Sleep Studies (HST) permissible by your insurance providers. Our COVID 19 risk free procedures are as follows:

1. Sleep study patients are required to wear masks and gloves during the appointment. If you do not have these items upon arrival, we will provide them for you.
2. Only the patient participating in the study is allowed in the lab unless the patient is under the age of 18.
3. Only our sleep tech and patients will come into a social distance. Staggered entry times for patients.
4. **ALL** Staff at Bluepoint Medical are required to always wear mask and gloves.
5. All patients are required to fill out COVID 19 infectious disease questionnaire.
6. **ALL PATIENTS' TEMPERATURE WILL BE CHECKED IMMEDIATELY UPON ARRIVAL. PATIENTS ABOVE 99 DEGREES WILL NOT BE SEEN.**
